MESSAGE FROM THE DESK OF THE HEADMASTER

Mid way through June already, the sixth month of the year has almost passed and now leaving 11 school days left. There are some alarming facts one has to digest before we look forward to enjoying the 23 days, including weekends, which makes up the forthcoming holiday period. Just think of the fact that when the third term resumes we will be one week away from the beginning of the eighth month of the year - August.

Academic News

There is a quiet yet busy energy around the school corridors and classrooms at present as staff and the boys are focussing on the standardized testing period, mark analysis and the preparation of the mid-year report programmes. Yes the busy schedule of our school must continue but it has been most encouraging to note the respect and attention that each partner has given to this testing phase. Time-management is of paramount importance so that quality learning and honest dedication to studies is the major drive at present. Please remember that with a final day left of the testing programme one cannot afford to drop the academic baton now especially as the last opportunities to score academic marks/credits is almost over for this term. I do hope that every boy in each grade, throughout all three sections in the school, namely RU, JP and SP can look forward to that improvement in this overall aggregate for the term, in comparison to Term 1.

Fathers' Day

Thank you to the many 'Dads' and family members who attended the Assembly held in their honour here at school last Friday. The compliments expressed on the day and thereafter have been warmly received by the school, especially the Grade 1 Section who conducted the programme. Special mention and credit must fall on the staff of Grade 1 who actually wrote

the script and songs for the children and together directed the presentation with the valued support of our Performing Arts Staff Members.

I take this opportunity on behalf of the school to formally now wish all our Grandfathers and Fathers in the School, which also includes all male staff members on the staff, a most enjoyable Fathers' Day this coming Sunday 18 June. May your family members shower you with an abundance of love, spoiling and those Dad treats to again show you just how much you are valued and appreciated. Thank you for being our Super Dads of Prep - we love you Dads!

Performing Arts

I am sure that you will agree with me that our evening held last Wednesday was of the highest standard. My heart was bursting with pride to watch the variety of song, dance, music, choral verse and individual items be performed with such confidence and enthusiasm from Grade 1 through to Grade 7. Many of these learners are also actively involved in so many other extra-mural activities here at school but still manage their time to ensure that they participate in the Performing Arts activities. Credit must also be extended to all the staff involved in the 'Cultural Pillar' here at school under the Director's baton of Mrs Annette Briscoe. DPHS must surely take another bow as we proudly call 'Encore' in recognition of our amazing talents of staff, boys and parents. Congratulations!

DPHS Association

I remind you again that tonight we will be hosting our first Association Evening for our members here at school at 18h00. Thank you to our Director, Richard Neave for steering this event and to the panel who will be our special guests this evening. We are really looking forward to an overwhelming turnout in numbers where Association members of past and present families can unite under the "Umbrella of Proudly Prep" and fondly recall our memories of sharing the journey through our beloved school. Please make every effort to be here tonight - this is Association history in the making with more to follow on from this initial launch of presentations by the DPHSA. See you there!

Homework

I have addressed the matter with the staff as I strongly believe that our Prep partners of staff, boys and parents deserve a well-deserved treat in celebration of an extremely busy and rewarding term of positives. I hereby declare that there will be a 'No Homework' period every day from Tuesday 20th to Friday 23rd this term. Many families enjoyed a 'No Homework' period of time at the end of last term and this opportunity should be celebrated yet again this term. Please use every free-time gained now to spend as quality family time which has not always been possible due to the hectic and busy work and school schedules experienced throughout this term. Each DPHS partner has deserved some 'time-out' without having to rush home now at term end to complete the Homework responsibilities. Please enjoy the positivity of this call I have made, with the backing of the staff, so that all partners can make the most of and benefit from this initiative, Enjoy Prep!

Extra-murals

The second term activities are coming to an end with the third term extra mural programme already close to completion. However there are still some final events to enjoy namely: Please be here to loudly cheer on your son and his team in the rugby fixtures this Thursday afternoon, here at school, against Glenwood Prep. It is a final home, local school fixture so we as DPHS should be here in large numbers. I have also called on the staff in general to make every effort to be present and I know that our staff will be here too, to cheer on their boys, teams and school.

Request - Please wear any Prep supporters item AND please dress in 'blue, gold and white' colours for the day as 'Proudly Prep' supporters. Let us create a sea of Prep colours which will be a massive support for our school.

Please stay for the duration of the programme with the 1st Match starting at 18h10 to be finished at ± 19h00. It is the start of the “long weekend” so there should be no excuses.

Prep Rugby Festival

This annual event starts again next Tuesday with the opening of our Café Prep followed by the commencement of the Inter-School fixtures starting on Wednesday through until Friday - see the programme of fixtures attached later in this Prep Patter.

I extend our appreciation to our Director of Sport and this festival Mr Michael Dick, Mrs McCarthy and all the staff in the planning and hosting of this event. Thank you to our Mothers Committee, the Café Prep and Tuckshop staff and volunteers who will be here to ensure that this National Festival will again be the highlight of the rugby calendar of events. We are so grateful to our many Prep families who have so kindly opened up their homes to host these visiting boys. Thank you! Best wishes to our school, all our participating Prep teams and our visiting schools in advance for an experience of many fond rugby memories.

Mini-Rugby

Thank you to Mrs Oosthuis, Mrs Vawda, Miss Gilroy, the JP staff, DPHS staff/coaches, parents and Grade 1 and Grade 2 boys on our combined involvement and contribution noted in making this 2017 mini-rugby programme so successful. It has been wonderful to see the passion expressed by the boys and their dads in driving the weekly coaching sessions. All DPHS partners have ensured that our Junior rugby players have developed their skills throughout the term and the standard of play last Saturday was of the highest level for these young learners of the game.

Well done Prep!

RECEPTION UNIT NEWS

Grateful thanks to our parents for the wonderful help and support received at our Winter Walk last Friday. We had a great atmosphere on the day and it was good to see the boys participating with such enthusiasm. We also loved having the Gordon Road Grade R girls join us for the morning. Special thanks also to the Grade 7 boys who cheered and offered our little 'comrades' moral support around the track, which was one of the many highlights. Your sons were very proud to each receive their Winter Walk medal from our headmaster, Mr Wilson.

Please can any outstanding sponsorship forms and money be returned to school by this Thursday at the latest. The funds raised by this event will be used for the benefit of all our Grade R boys.

This week we welcome St John Goosen and his family into the Blue Group. We hope that he settles well and soon feels a special part of DPHS.

We would like to wish all of our Grade R Dads a wonderful Fathers' Day this Sunday. We hope that your son remembers to spoil you and gives you the special card that he has made with much love!

JUNIOR PRIMARY NEWS

Well done to all the JP boys who presented items at the Performing Arts Evening last week. They provided wonderful entertainment for the audience and did themselves proud. The Grade One Fathers' Day Assembly was absolutely superb. The humorous and inspired script was created by the Grade One teachers, produced by these teachers together with the Music and Drama staff and presented by the amazing Grade One boys! The adjudicator was

very impressed with this tribute and awarded them an A+. The following is an excerpt from her report: *“What a delightful presentation! The boys were focused and enthusiastic...Voices were strong and confident. Your enjoyment and sincerity were conveyed to the audience. A moving blend of music and speech. Well done all involved.”*

At the conclusion of the assembly the fathers were invited to visit their sons in the classrooms where the Grade One boys presented their dads with a pot plant holder, thyme plant and special message about the time their dads spend with them, the Grade Two dads received a “#proudlyprep Hero Dad” wooden coaster made with the Design & Technology Centre laser cutter and the Grade Three dads were each given a wooden “No. 1 Dad” keyring, as lovely keepsakes. Each gift was given with love and a very special message from the boys.

The final Mini-Rugby session took place on Saturday morning and it was a very enjoyable culmination to a productive season. A most sincere thank-you is extended to each father who volunteered to coach his son’s team. The boys have certainly benefited from the care, expertise and passion invested by these dads. The programme would not be possible without their support and their input is much appreciated.

The U9 rugby players enjoyed fixtures against Merchiston in Pietermaritzburg last Friday and are congratulated on their commendable play and scores. With the 15-a-side Glenwood Prep fixtures and internal matches scheduled for this Thursday afternoon, a very energetic and successful rugby season will draw to a close. They are wished well for these final games.
