MESSAGE FROM THE DESK OF THE HEADMASTER

I am amazed to now write to you after having served a full six months here at our wonderful school - Prep!

These months have been filled with an abundance of exciting experiences so far and I really look forward to the latter half of this year being filled with even more positive adventures to enjoy. Please be reminded of the 48 academic school days of the third term that begin when school opens on Monday 24 July and closes for the third quarter on Friday 29 September.

Staff News

Mr Gavin Goodwin ended his teaching and coaching career at DPHS today after serving our school for a total of 15 years having broken service for just over a year in between these two periods on the staff. I share this because maybe one day we will welcome Mr Goodwin back for a third round of teaching at his beloved school Prep. Mr Goodwin has been chosen as the Deputy Principal directing sport matters at Durban High School - a position that he takes up from the start of the third term. I am sure that staff, parents and boys will agree that Mr Goodwin has fully committed himself as a loyal and dedicated staff member both in the front lines and also behind the scenes. I fully understand and respect his decision to move into a senior management position at the high school, at this stage of his career and the needs for his own personal development and growth.

Thank you again Mr Goodwin for your dedication and commitment to DPHS over the years as staff member, coach, parent and friend of the school. May your new position bring you the necessary reward you wish to receive. Please keep Durban Prep firmly cemented in your heart.

Mr Steve Yelseth leaves with his family to take up a teaching position overseas in Bahrain. Mr Yelseth has been dedicated to Prep for the past 3½ years both in the classroom and in the extra-mural activities. He and his family have been waiting for this opportunity to materialise and now that it has, he cannot afford not to take up the position there. We also wish the entire Yelseth family safe travels with many positive outcomes in this bold and respected decision. Thank you Mr Yelseth for your service at DPHS and especially your expertise with the taking of the photographs here at Prep. Best wishes going forward.

I again share with you that Miss Paige Challis-Chandler now joins DPHS from the start of the third term as an experienced educator. She will be taking up Mr Yelseth's classroom position in Grade 6 as well as also being actively involved in the extra mural programme, "Miss C" as known to many, has already met with the Grade 6 teaching staff since her appointment and is raring to begin and commit herself to DPHS for the many years that lie ahead. Welcome again Miss Challis-Chandler - DPHS looks forward to your involvement in our school.

I share with you that I will be staying in Cape Town for the first two days of next term on a Headmaster "twinning" programme with schools lined up namely SACS, Rondebosch, Wynberg, Bishops etc. I have arranged this as I will be there already so I will now not have to fly back with our school on Wednesday when our official rugby tour begins in that same week. We as the Headmasters are looking forward to sharing leadership skills and ideas with each other that are valued as 'best practice' in all of our respected and leading schools. I cannot wait to proudly share and elaborate on the structures and positive functionality of our school in all departments, as well as to experience ideas that these schools are respected for. Mr Phipson will take up the reigns for me over these two days, in my absence.

Best wishes to Mr Dick and Mr Jali who will both be representing our KZN Province as the Coach and Assistant Coach of our Sharks U13A Schools Rugby Team at Craven Week, hosted in Bloemfontein. I extend my wishes to all the boys from our school who have also been selected to represent these Sharks teams in the U13A/U13B/U12A/U12B tournaments hosted in Sasolburg and Vryheid. In my capacity as Chairman of Sharks Primary School look forward to seeing our coaches, boys and families at each of these tournaments held during these July holidays.

I take the opportunity now to express my appreciation to our Director of Music, Mrs Briscoe, Mrs Perks and Mrs Vosloo who will be leading our Marimba/Gumboot Dance Tour group to perform at the Educator Workshop in Gauteng also during the first weekend of the third term. This is a major honour for our representatives from our Performing Arts pillar here at school which again proves our commitment and support in highlighting and celebrating all members involved in the valued cultural programmes on offer here at school. Enjoy the experience - you will do Prep proud!

Best wishes too, to Mrs Stentiford and Mrs Muthusamy who will both be attending the National Librarians Conference from the 2 July - 5 July at Highbury Preparatory School. Both ladies have been involved on the planning Committee and have been working very hard to make the Conference a huge success. They are looking forward to hearing from many interesting and varied speakers.

Rugby Tour

Once again the highlight of the rugby season is upon us with the annual tour to Cape Town taking place from Wednesday on return to school. We look forward to another highly successful programme against Wynberg, Bishops and SACS. I am amazed and extremely proud to note that DPHS will be arriving in Cape Town with 10 teams in total from the U13 and U11 age groups with a large group of staff, players and family members. I have even heard that past Prep parents have also arranged to be in Cape Town in support of this tour. This excited Headmaster is also looking forward to being present on my first official rugby tour and sharing in all the events whilst creating positive memories for all to celebrate and return home with.

“Thank you” must be called out loudly to our Director of Sport Mr Dick for his months of thorough planning in leading this massive touring party. Let us all complete the 2017 Prep rugby season on the highest note possible with exemplary behaviour both on and off the field of play and especially in proud Prep cheer from the sidelines. Pack those ‘winter woollies’ and be ready for the end to a great 2017 rugby season. See you in Cape Town!

PS - I will be waiting at the airport in Cape Town for the arrival of the Prep touring party and I do not wish to put any players “back on the aeroplane” who have not had a Prep haircut of short back, sides and top ie - no mop of hair on top. Please ensure that all Prep boys arrive respecting this dress/appearance standard as all learners should already have had their haircut for the first day back of the third term.

Thank you for your urgent attention to this and any other tour appearance requests that have been expressed relating to this tour.

Here we go Prep - let’s go!

DPHS Rugby Festival

Thank you - thank you Prep for the hosting of a most enjoyable and successful Rugby Festival last week. It was an experience that has left all present with a basket full of fond Prep memories as the planning, presenting, hosting and attention to detail was of the highest standard. Mr Dick who co-ordinated the festival arrangements needs to take a bow as we applaud him on yet another outstanding festival. Special mention must also be made of Mrs McCarthy for her behind the scenes involvement and the many staff members/coaches/referees who stood united as a Prep team in serving at this festival. We were also fortunate to secure the professional services of the Discovery Sharks Medical Staff for the duration of the festival. However I need to express our genuine appreciation to the group of Directors and their company Photonote for their on-going sponsorship and daily presence noted in support of our school. Thank you again Photonote!

My personal appreciation and that of our entire Prep community is warmly expressed to the Mothers Committee Chairlady Mrs Carlynne van Jaarsveld and their committee and large group of volunteers and parent helpers who served throughout the week at Café Prep. There were weeks of thorough planning in advance which led to the hosting of a Café Prep of five star rating. Each day saw a delicious spread of eats and refreshments and a packed restaurant venue which had all customers raving about. Congratulations Café Prep!

The same compliments are carried over to Mrs Lynn Neave and the Tuckshop staff/helpers who also provided for the catering requirements of the public downstairs. This Tuckshop team also need to take a bow in recognition of the service that they too gave throughout each day. Congratulations to our Prep Tuckshop team.

In conclusion I again pay our Prep respects to the over a hundred and twenty families who kindly opened up their homes to host our visiting players throughout the festival. Your kindness is essential to the success of this event.

A proudly Prep event enjoyed by all present!

Appearance

We can be proud of our combined efforts in ensuring that most of our boys were committed to presenting themselves so neatly for school on a daily basis during this second quarter. I call on our entire school from Reception Unit, Junior Primary and Senior Primary to return to school on day one with a decent Prep haircut of short back, sides, top and No Mop of hair on the top of the head. All boys in the main school must ensure that their personal attention is given again to polished shoes, garters, blazers/uniform and to clean Prep school bags. We must build on the high appearance standards of the first half of the year and cannot afford to be complacent in this important school standard.

Your support to all boys appearance, youngest to oldest is greatly appreciated.

Communication

I thank Mrs McCarthy for her continued support in communicating with our Prep community and all staff members who have shared any news with our parents/old boys etc. during this second term.

However not every family receives our information shared on a daily/regular basis through our electronic media efforts and we still have too many parents contacting the school when the information is presented for you to read.

Please will each parent ensure that he/she:

Has sent through their correct information to Mrs McCarthy so that she/and the school can connect you to the Prep Alert/D6 Communicator etc. Please do this as a matter of urgency so that we can double the percentage usage amongst our Prep community.

Please follow the basic steps below so that we can ensure that we as a school are in constant communication with you. Please follow the basic steps below so that we can ensure that we as a school are in constant communication with you.

D6: Search "D6 Communicator" on your smartphone/ PC/Tablet/Laptop and follow the simple steps to get connected to the D6 Communicator.

Send an email to cmccarthy@dphs.co.za to request to be added to the Prep Patter mailing list.

Mr Prep

The final Mr Prep achievers of this second term are:

Junior Primary - James Mallett - Grade 3 Martin/Horning
Senior Primary - Riley Mallett - Grade 4 Miloszewski

Congratulations!

Academic News

I have left the most important section relating to the academics until the end of this newsletter so that we can enjoy all the top 10 achievers per class in the SP phase in this block setting.

Please take the necessary time, as parents, to sit down with your child and to share and explain the contents of the reports sent home from the respective phases. These reports take days of preparation to present an honest reflection on your son's progress so please respect this by spending the quality time going through the comments, effort symbols and lastly results per subject/learning area. Remember to celebrate and give praise where it is due and also to firmly support that constructive advice shared by the staff throughout each section in the report.

We really enjoyed hosting our Top 10 SP academic achievers at the Headmaster's Tea in the Mkhombiseni Zulu Functions Room yesterday. These young men fully deserve this treat as they have dedicated their efforts to excelling in the classroom during this second quarter. Congratulations!

Here follows the top 10 achievers:

PARENTING

REMEMBER : PREP BOYS

DON'T

DO

Forget to thank their staff/coaches for a successful term.	Look forward to celebrating their success of the academic/and extra-mural activities of this second term with their staff.
Return to school without respecting our school 'appearance' standards	Take it upon themselves to prepare themselves neatly for school on day one of the third term.
Rush through reading their reports	Spend quality time with their family enjoying the contents of their report
Do nothing in the third term	Look forward to playing hockey/and being involved in the third term extra-mural activities
Let their parents forget to send in their communication details to school	Understand the urgency to ensure that the latest contact details of parents are received by the school
Forget their staff, Prep friends and <u>Headmaster</u> during the mid-year break	Look forward to seeing their staff, Prep friends and <u>Headmaster</u> from day one of the next term
Weaken in the Prep 'Taonga' efforts in the remainder of this year	Get stronger and more motivated in all Prep activities throughout the remainder of the year
Get bored in the Holidays	Read a book, play games, relax and enjoy the holiday break

Happy Holidays

It gives me the greatest of pleasure to wish the entire Prep Community of staff, parents and learners, a most enjoyable and relaxing holiday break. May you as a family be enriched with time together, where the hectic pace of school and work commitments, are not allowed to spoil this quality family period. Please join me in the loudest applause for our staff and coaches in all phases and departments for their loyal efforts and continued dedication noted on a daily basis, during this second term and the first half of the year.

Enjoy your time in travelling and at the holiday destinations or the time spent relaxing at home.

Thank you Prep for our Many "Taonga" efforts and memories celebrated throughout this term. Congratulations Prep!

"Happy, happy holidays" from a very proud Headmaster.

Headmasters quote for this week (and Holidays)

"You can't leave a footprint that lasts if you are always walking on tip toe"

RECEPTION UNIT NEWS

Half year is already upon us and it seems like just the other day that the boys arrived for their very first day at Prep. We have enjoyed a busy second term with several memorable events for our Grade R boys.

Much time and effort has been spent compiling the *half year reports* sent home with the boys. These reflect an accurate account of their performance at school. If you would like to discuss these reports, please arrange a time to do so when school reopens.

Sharm Malherbe will be returning to work in the new term. She has enjoyed spending special quality time with Lula and is looking forward to reconnecting with the Grade R boys, parents and staff.

Tayla Deare, our **Green Group teacher assistant**, will be fulfilling her practical teaching requirements at Crawford La Lucia next term. Sue Matthysen, who has become well known to the boys over the past few months, will be assisting Mary Goosen over this six week period.

The most important date to remember next term is our **Reception Unit Family Fun Day on Saturday 12th August from 9 till 11am**. Please diarise this date as this is a morning for the whole family that is not to be missed. (More information regarding this event has been included in your report envelope.)

We wish you all an enjoyable mid-year break with your sons. If you are on the roads, please travel safely and we look forward to seeing you again in the third term. School reopens on Monday 24 July.

JUNIOR PRIMARY NEWS

On Tuesday the Grade One boys enjoyed a most memorable time at the harbour. Each learner, wearing a bright orange life jacket, had the opportunity to do a trip on the Sarie Marais in perfect sea conditions and wonderful weather. The visit to the Maritime Museum was definitely a highlight as the boys explored the engines, cabins and canteens and also climbed onto the high decks on 3 different boats. One of the boys was overheard saying "This is the best day of my life!"

During these past 2 weeks the JP boys have been involved in an extremely important project, lending support to the OLLI campaign. OLLI stands for "One Land Love It!" and was started by the family of Prep Old Boy Daniel Bolton. Their goals include raising awareness and funds for the conservation of our beautiful wildlife heritage. To this end dad Wayne has cycled 6000km, connecting all 19 SANParks. In July they will be embarking on the OLLI Frontier Rhino Ride, covering a distance of about 2000km and connecting about 20 rhino bearing parks through the Eastern Cape and KZN, passing through Durban along the way. The JP boys have been involved in related discussions and art projects, resulting in a display of some of their work which was then photographed and sent with a message of good wishes for the team. We are looking forward to meeting members of the Bolton family and offering further support early next term.

Special congratulations go to Grade 2 Oosthuis for achieving the "Recycling Champions of the Term" award by earning 14 smiley earths. Well done too to the runner-up class Grade 1 Langley who earned 7 smiley earths. In fact a big "Thank you and Well done" is due to every boy who contributed to the recycling drive during this past term as a total of 270m was collected!

The second term always seems to be a particularly busy and exciting one with the extra energy and enthusiasm engendered by the Speech and Drama Festival and rugby related activities, over and above the stimulation of the regular programme, and this one has been no exception. I would like to take this opportunity to acknowledge each of the dedicated teachers, our committed boys and the supportive parents for their part in ensuring the success of this past term. I wish each one an enjoyable and restful break and urge the boys to keep reading throughout the holidays both to maintain their progress in this vital area as well as for their enjoyment.
