#### MESSAGE FROM THE DESK OF THE HEADMASTER

Congratulations Prep - we have had a most enjoyable and rewarding third term with ‘DPHS’ crossing the finishing line in a well-deserved first position. The holiday pit-stop is rather brief, so be well rested and re-charged to focus on the final ‘Grand Prix’ of the fourth term lasting a full 43 academic days of revving these engines.

#### Last week

The final week of the third term really was a week packed with exciting events and much busy work for all partners. Reports had to be prepared, academic assemblies were conducted, followed by a Headmasters ‘Top 10 Tea’ and our termly ‘Honour our Helpers’ function. The Prep Carnival was another major success despite the weather, so well organized by the Chairlady of the Mothers’ Committee Mrs Carlyne van Jaarsveld and her team. Again my heartfelt appreciation is extended to all partners for your involvement which includes the attendance of many family members and children who were present. Well done on keeping the Prep flag flying so high.

However, the brightest of spotlights must focus down onto the House Plays held to packed audiences on Tuesday and Wednesday evenings. It is mind-blowing to think how this production was presented at the high level of excellence that we could enjoy as an audience, given that there was only a time span of 6 weeks to launch and prepare for these presentations. Here credit must be placed in abundance to the Producers, House staff, general staff, parents and our multi-talented cast of boys for the overall synergy that was created during this period. However, all partners above would join me in placing the overall spotlight on the Director of 2017 Mrs Kasia Vosloo for going beyond the call of duty in directing this production. Take a bow Mrs Vosloo as we loudly applaud and congratulate you,

your team and cast on a most enjoyable, entertaining and professional standard. A most memorable Prep experience enjoyed by all!

### Staff News

Thank you to the many families and staff members who so willingly contributed to the financial collection for Selby over the past few weeks. Selby had a special place in our hearts here at school where he was well-respected as a loyal staff member by staff, parents, boys and even visitors to the school. He was a credit to his company and especially to DPHS where he served us proudly for his lengthy service at the school. As stated previously, we fully understood how the business opportunity afforded to Selby at this stage of his life, now opened up a whole new chapter for Selby and his family - an opportunity that he could not overlook. Thank you Selby for your constant love and care that you gave towards DPHS throughout each year. We will miss you - best wishes for the exciting journey ahead.

### Special Attention

I call on all families to please highlight these requests with your own son during these holidays so that we are all well aware of the expectations and attention to details required during this final term.

- The holidays are too short for fancy hairstyles, etc. so please ensure that your son
- definitely has a haircut before returning to school.
- Cricket Season will commence so please check that all cricket items are cleaned and ready to be used.
- Please note that blazers and caps are worn to and from cricket fixtures next term. Parents/coaches must insist on this when arriving at or leaving the match.
- Please check whether your son has outgrown various items of clothing, eg his swimming costume now that swimming takes place again; and his school socks which in certain cases are far too short in length.
- Does your son have a sunhat for use at break?
- Is your child in need of a new school bag and/or sports bag? Some bags desperately need to be changed.
- Please share the Prep Patter and its contents with your family on a weekly basis during the fourth term - we all need to be well-informed as to the daily events taking place.
- Involvement and commitment is essential during this final quarter in academic extra-mural and cultural activities. All boys should be actively participating in all areas of DPHS.
- Your son must get to school well before the morning bell rings and then be fetched timeously at the end of the school academic day or after an extra-mural activity. Please rectify this situation if need be.
- “Time-management” is an essential tool for your son and family to follow on a structured and disciplined basis so that no unnecessary pressures creep in during this final quarter.
- Behaviour and Manners are placed at the top of each boys priority list so that we can continue to build positively on these non-negotiable Prep standards.
- The ‘Homework Book’ must be signed by the parent/s so please ensure that your son brings this book to you on a daily basis.

Once again, I emphasize how grateful we are to our many families and boys who constantly focus on these points listed above. However, there are cases when sometimes “the paint dries” and we need to cover these areas with a fresh coat of Prep paint - there is no better time than at the start of the final term so that we can finish the year with the same focus and energy that we start fresh with at the beginning of each new year.

Your continued support is so greatly appreciated now so that no unnecessary consequences need to be implemented for boys not responding to any such points as listed above.

**REMEMBER: PREP BOYS**

Don't	Do
Get bored in the holidays	Make sure they are active throughout the holidays
Hand their Report to parents and leave	Sit and share their Report with their parents
Moan about 'THEIR' results	Build on 'THEIR' Report results
Waste their Holiday!	Enjoy their Holidays!

### Happy Holidays

I personally wish every Prep partner i.e. Staff, boys, families and Old Boys a most enjoyable and relaxing break. May this holiday be a period blessed with love, laughter and happiness shared with your loved ones. Please take extra care at all times, especially if travelling. Remember boys - if something in your heart is saying "don't do it" then "don't do it" so that you can return to school without any injury and thus return fit to enjoy a busy and exciting final term in 2017.

Thank you Prep - we can be extremely proud of our combined efforts and achievements noted so far during this year and especially this term. Please join me in acknowledging the dedicated and loyal service shown again by all staff members throughout the term. Staff - you fully deserve a wonderful rest and enjoyable holiday - Thank you Team.

Happy, Happy Holidays!!

## RECEPTION UNIT NEWS

Our boys have enjoyed a busy term which has included several special events. These are an extension to our programme and also help to integrate the boys into main campus life, in preparation for Grade 1 next year.

An important date to diarise for Term 4 is our own Reception Unit Concert ‘Rumble in the Jungle’, which will be presented on Thursday 26 October at 18h00. This is an evening not to be missed as each of our pupils has an important role to play. A special invitation to this event has been enclosed in your end of term pack together with the *Term 4 Forecast* and list of *Dates to Remember* for the remainder of 2017.

Please remember that our Friday morning swimming lessons commence on the first Friday of next term (13 October). Your son will need to have his own DPHS speedo, swimming cap and towel for these sessions.

Our boys will also have an opportunity to shop at the Grade 7 Market Day on Tuesday 10 October and will need to bring R20 to school either on the first day of Term 4 or on the Tuesday. Please don't forget to send in the R20 to avoid any disappointment for our boys.

We are very grateful to the DPHS Mothers' Committee who have very kindly offered to replace the flooring in our new creative area during these holidays. The new surface will add great value to this work space.

We would like to take this opportunity of wishing all of our parents a brief but enjoyable break with your boys. We look forward to seeing you when school reopens on Monday 9 October.

## JUNIOR PRIMARY NEWS

Despite the long weekend shortening the run up to the end of the term, the JP boys have enjoyed two very busy, active weeks.

Last Friday was a wonderful occasion when Prep hosted that very special group in our community - our Grandparents. They were treated to a sumptuous tea and the JP grandparents visited their grandsons in their classrooms. The Grade Two Section produced a superb assembly in their honour, following the theme of spending a night with Granny and Grandpa together with relevant songs and poems. The adjudicator was so impressed by their performance that she awarded the Grade Two group an A+. Her comments included: *“I loved the choice of music and touches of costume. Individuals played their parts very convincingly. The Choral Verse was nicely varied. Voices blended well and your delivery was expressive and sincere. A moving, sincere and polished performance. Well done all.”*

When the Grade Ones went on their Flag Farm excursion the boys were greeted with much enthusiasm by the owner and dedicated group leader who provided detailed information about the various farm animals. Each learner had the opportunity to ride a pony as well as a train and tractor. Milking the cow and the chance to touch an enormous python and wolves were highlights for many boys. Babe the piglet and other farm animals ran among the excited

boys as they dispersed the contents of their food packets. This outing proved to be educational and fun and well worth the distance travelled. Despite the excitement of the boys they are to be commended for their excellent behaviour on the bus and at The Flag Farm.

On Wednesday the Grade Two boys spent a wonderful morning at The Chicken Run Adventure Course in Kloof. The venue consists of a low rope obstacle course which through climbing, balancing and swinging provides an excellent skills development tool. The course is both challenging and fun with the favourite activity being the zip line. The boys also went on a treasure hunt and participated in team building activities. It was a fantastic venue providing the boys with a unique outdoor experience.

Grade Two Oosthuis has earned extra break and a tuckshop treat as their reward for being the “Recycling Champions of the Term” for the third term running. Well done to that class and to Runner-up class Grade 3 Veerasamy. A big thank-you to all the boys and their families for your support of this very worthwhile campaign. In total 287.6m of recycling material were collected by the JP boys this term!

Another successful and busy term has ended and I would like to express my appreciation to the teachers and boys for their commitment to the Prep programme and standards and to the parents for their support. I wish everyone a well-earned restful and enjoyable holiday.

## DPHS ASSOCIATION

Director: Richard Neave - [rneave@dphs.co.za](mailto:rneave@dphs.co.za)

### FAREWELL TO A GREAT FRIEND

The SCHOOL bids farewell to truly great DPHS friend, mentor and ambassador, Mr Velenkosini Selby Qwabe who has worked at DPHS as a security guard since 2004.

His presence at the school gate in Tenth Avenue has been a pillar of enormous strength and stability in the lives of every DPHS boy and his family.

Thank you Mr Qwabe for being a role model to the School of all the finest qualities we seek in those we share our DPHS lives with daily. Your legacy of respect, compassion, dignity, honesty, interpersonal connectedness and dutifulness is supreme.

The DPHSA together with the boys and all the other members of the DPHS family, past and present, salute you and wish you well as you embark on your new career.

At DPHS we are privileged to come to know many talented, even gifted, boys, teachers, staff members, parents and Old Boys, Mr Venekosini Selby Qwabe is amongst the finest of them all. The DPHSA is humbled by the value and significance of your contribution to DPHS.

It gives me great pleasure and pride to welcome you on the day of your farewell to PREP to the family of DPHS Association members.
