### MESSAGE FROM THE DESK OF THE HEADMASTER

Halfway through February already which means there are now only 29 school days left to celebrate during this extremely busy first term. Please continue to check on your hard copy re the Year Planner sent home with the reports or on the D6 Communicator to keep you updated of the events on a weekly basis.

#### Open Day

It was so encouraging to note the large attendance of visitors to our school yesterday who wanted to gain further insight about Prep as well as to be taken on guided tours around the school. You will hopefully have seen our posters up on the street poles in many of the suburbs in and beyond Durban inviting interested families to join us. My personal general message is that "Every day at DPHS is an Open Day ie. where we Open and Unlock hearts, minds and potential for our boys and the Prep Community. This message of 'Unlocking' these various aspects is also captured on our street pole advertisements as it is with this combined focus that we are really able to "Prepare our Boys for Life" whether it be during an eight year period since Grade R or even shorter in time. Special mention is made of our overall co-ordinator for Open Day, Mrs Caroline McCarthy for her meticulous attention to detail, in planning for the advertisement and the arrangements of the day. Thank you to the management members and the Mothers' Committee, the many staff/coaches from all department/phases in our school for your valuable input and service in preparation and presentation for this extremely important day.

Well done and thank you team - A Prep effort!

May you now as parents help to spread the Prep word to families at work or in your social network who you believe would make a positive and valuable contribution to our school in the years ahead. Any such families, including our present families, who wish to enrol any other son for 2019 need to do so immediately so that an interview process can be arranged. Please do not sit back and leave this “admissions” request until it is too late. I remind all grade 7 families at DPHS to follow this same urgent request to start making application to the High Schools or your choice. Any further admission queries must be sent through to Mrs Denise Tsouris at Admissions here at Prep either telephonically on 031-3122154 or email: [denise@dphs.co.za](mailto:denise@dphs.co.za).

### **Staff News**

Two new staff members finished their interview process and signed last week to join our DPHS team from the start of this coming second term ie. - Tuesday 10 April. Both gentlemen are Directors of Sport at their respective schools but will be joining our Sports/PE Department under the leadership of our Director of Sport Mr Dick. These men are:

**Mr Shaun Carrol** - has 14 years school experience and will be coming from Northlands Primary. Mr Carrol is well known across the province and country as he has been actively involved in most sports codes and provincial/district tours that he has led. He has just recently been selected as the Sharks Primary Schools U13A Craven Week Coach to take our provincial team to this prestigious tournament this year.

**Mr Chad Fisher** - has 6 years school experience and will be joining us from Scottburgh Primary where he too has been highly respected in the South Coast area for his coaching and involvement in primary schools sport.

These two men will now join the dedicated services of Mr Dick and Mr Mazwi in the directing and taking of the physical education lessons, ball skills etc. hopefully right through the school from Grade R, Junior Primary and the Senior boys. Welcome to the DPHS gentlemen - we as DPHS look forward to your professional and committed service from the second term!

### **New Parent Function**

This was a most enjoyable event, held in our Maurice Wilkinson Hall last Thursday evening, to formally welcome the family members of any ‘new’ boy into the DPHS family. Thank you to these Prep parents and staff who attended to make the evening one of our very best regarding attendance in recent years. The positive vibe, excellent food and refreshments was greatly enjoyed by all which really made this an evening to remember. Thank you to the staff, Mothers Committee, Peppers and Pans and to those members who served on the night or, were of assistance in the setting up before hand. A proudly Prep celebration.

### **Extra Mural**

The activities and fixtures for the term have been jam packed with our boys actively involved in the sports codes and cultural clubs/music here at school. Well done to the cricket teams last week for winning 10 of the 17 matches played against our traditional rivals and friends Merchiston from the U9 age group through to our Senior teams. These matches are always hard fought battles with our school coming out tops in results, overall. The boys are also busy with early morning/afternoon and evening training for the respective Inter School and D & D Galas approaching rapidly, as well as for the National Water Polo Festival next month hosted by ‘Grey PE’ in Port Elizabeth. The tennis courts are packed for practices with our junior age groups also showing a great increase in numbers. As stated earlier there is Music/Dance/Art/Gardening etc. taking place on a weekly basis - Prep is buzzing with involvement and growth in these extra mural programmes on offer.

### **Durban High School Presentation**

DHS will be hosting a DHS presentation for Durban Prep parents **only** here at DPHS this coming Monday evening 19 February. The Headmaster Mr Pinheiro and his Management Team have formally invited our Grade 6 and 7 parents via a letter sent home last week and have requested that our Prep families afford them the opportunity to share with you their new and exciting

vision and structures going forward. Please reply to the invitation to DHS so that they can cater and prepare for the evening here.

The evening is set to start at 18h00 in our school hall. Please note that our DPHS boys attending with their parents must do so in full school uniform ie. including blazer unless the child is new to DPHS and does not have a blazer as yet.

### **REMEMBER PREP BOYS**

<b><u>DON'T</u></b>	<b><u>DO</u></b>
Show any unkind behaviour especially on Valentine's Day	Show the true meaning of being a 'Prep Pal' on Valentine's Day
Be rude or abrupt to parents and family	Express their love to parents and family everyday - not just on Valentine's Day
Become arrogant in their victory or with personal achievement	Celebrate their individual success with the team
Forget to invite their parents/family to attend their class assembly	Make sure that the family are there to celebrate their class efforts and special events
Forget their 'please' and 'thank you' when purchasing from the tuckshop	Always remember that "Prep manners maketh the Prep man"

### **MR PREP - CONGRATULATIONS**

Junior Primary - Matthew Cothill - Gr 2 Martin  
Senior Primary - Kunal Bhagat - Gr 7 Davis

### **Happy, Happy Valentine's Day**

May your day be filled with love, laughter and an abundance of Prep care, spirit and friendship as we celebrate these values that are shared on this day.

## RECEPTION UNIT NEWS

It was great to see so many of our Reception Unit parents at the Welcome Function last Thursday. We hope that you enjoyed your evening as much as we enjoyed chatting to you. Thank you to the Moms who were able to attend our first Grade R Mothers' meeting held last week. It was a good opportunity to discuss important dates and events on our year calendar and we are looking forward to working together during the course of this year.

### Grateful thanks to our Reception Unit Class Representatives for 2018:

Calli Ash (Red Group), Olivia Finnemore (Green Group) and Louise Sweeney (Blue Group). Special thanks also to Saadia Essack who has volunteered to run our puzzle library this year, with Trisha Parshotam stepping in for extra support. Information regarding our puzzle library will follow at a later stage.

We have stock of many second-hand Reception Unit uniform items (especially shorts, shirts and fleece tops) on sale for R20 an item. Please pop into the office should you wish to purchase extra items for your son.

The Grade R Hearing Screening by Heidi Allan and Associates ran very efficiently on Monday and feedback, in the form of a brief report, will be sent home with each pupil.

The next important date to diarise is our School Readiness Evening with Kerry Salvesen, on Tuesday 27th February. This event will be held in the Functions Room at Main Campus and will start promptly at 18h30, followed by tea and coffee. Please can we remind all Green Group parents to please provide a plate of eats for this evening.

The Grade R pupils all gathered on our astro to create a heart formation for our Valentines' Day photo and were fascinated by the drone that captured this image. They have thoroughly enjoyed exploring this theme in their art and the classrooms are looking stunning. We hope

that your son remembers to hand over his special Valentine gift to you, made with much love and care.

## JUNIOR PRIMARY NEWS

We were delighted to welcome Britney Schamotta back onto the JP Staff on Monday. Mrs Schamotta was a member of the JP team during the fourth term last year and she will be taking on the responsibility of locum tenens in Liz Murphy's class when Mrs Murphy takes her accouchement leave. She will be spending the coming weeks working alongside Mrs Murphy, ensuring that she knows the boys well and that the transition is a smooth and positive one.

Last weekend two U9 cricket teams had the exciting experience of travelling to Pietermaritzburg to play their fixtures against Merchiston and did themselves proud. The results of these matches can be found in the results table below.

It was a great pleasure yesterday morning to welcome visitors to our DPHS Open Day and to take them on a tour of the school. There was a large group of parents interested in enrolling their sons in the JP Phase and they were able to enjoy viewing the wide variety of areas of learning as well as experience the good manners of our Prep boys.

The boys are looking forward to their first House Dress Day this Friday when they will meet their Prep Pal families for 2018. We wish them well for enjoyable and productive meetings.
