RECEPTION UNIT NEWS

The boys enjoyed their first morning *Garvz* sessions yesterday. There was much excitement as they broke away into smaller groups to work with their allocated coaches. As mentioned in our March newsletter, these balls skills sessions replace swimming lessons during the first and fourth terms.

We hope that you have all remembered the *Reception Unit Parents' Activity Evening* this Thursday 19 April, starting at 18h00 and ending by 20h00. A letter was sent out last week explaining this event in greater detail. The boys are always so curious to see what creations their parents have made and the excitement in the locker rooms the following morning is infectious! Parking will be available on the main campus lower field, entrance via the tuckshop gate and we do urge you to use this facility. Please can we remind all *Blue Group parents* to bring a plate of *savoury eats* for this function. As requested, if you are unable to attend, please make something for your son in advance and hand it over to his teacher so that she can place it in his locker for his arrival the next morning. Please feel free to chat to us if you have any queries. We look forward to seeing you on the night!

Please remember to send your son to school dressed as *a favourite book character* on Monday 23 April. A letter regarding this fun morning has been sent home.

JUNIOR PRIMARY NEWS

Hearing screening has begun this week and we are most grateful to Heidi Allan and her Speech and Language therapists for conducting this. Regular check-ups of this nature are a vital part of supporting the boys' progress and parents will be given the feedback as soon as the results are available.

The JP Quad has had an upgrade in the form of new grass being laid and we are looking forward to this thick green "carpet" taking root and enhancing this lovely space.

Now that the Swimming season is over, the Physical Education lessons have begun. The Grade Three programme caters for two groups, namely those boys participating in U9 Rugby and those who follow a more general skills based programme. Lessons for the Grade One and Two boys aim to develop crucial areas such as postural control, spatial orientation, sequencing and planning, balance, bilateral integration and fitness, amongst others. Under the guidance of Mr Fischer and Mr Tshabalala, activities will provide variety and a fun element and will utilize the jungle gym, obstacle courses and a range of other appropriate apparatus.

The Mini-Rugby programme got off to a vibrant start on Saturday morning when about 160 excited Grade One and Two boys enjoyed skills development activities, supported by the Sports Department staff as well as the large number of dads who have so generously committed to coach their son's team for the season. The U9 rugby players enjoyed the challenge of the House matches on Friday afternoon. Congratulations to these boys for their House spirit and special congratulations go to the winning House (see results in Sports section below).
