MESSAGE FROM THE DESK OF THE HEADMASTER

Out of the forties and now into the thirties which means that there are '39' academic school days left to enjoy of this second quarter. This month has really been disrupted with the long-weekend/s and public holidays but we do return next week to follow a full month of May and June.

Tours

Our U11 Tennis Squad left yesterday to spend this long weekend in Bethlehem where they will participate in an U11 National Schools Tennis Tournament. We are really looking forward to positive results from this squad which we can share on their return. Thank you to the parents for your support in transport and assistance in making this tour happen. I really do appreciate the attendance and efforts of our staff members with the squad namely Mrs Smith, Miss Laatz and Mr Khoza who so willingly give up their personal/family time to be with the team during this holiday period.

May this tour be rewarding for all partners, especially for our young men!

The 1st XV Rugby Squad will be travelling to the Trinityhouse Rugby Festival in Gauteng next week from Thursday onwards. Our 1st XV have been playing some attractive, positive rugby with pleasing results so far - I look forward to this continued success and commitment at this festival where many well known rugby schools will be present. Best wishes and thank you to our coaches/staff on tour namely Mr Dick, Mr Jali and Mr Carroll. May Prep fly the flag high on and off the field. I look forward to celebrating with the 1st team staff, boys and parents who will be there.

It really is encouraging to note that the U10 Rugby Tour to Gauteng in the middle of May is affording every U10 player the opportunity to enjoy a tour experience. This is going to be a wonderful opportunity for staff, boys and parents to experience at this young age. Once again we know that there will be some good rugby teams/fixtures to challenge us but I have the utmost confidence that these young men will rise to the challenge and return home with the fondest of memories.

Staff News

Congratulations to:

Mr Gareth May who has just been selected as the goalkeeper for the South African Mens Water Polo Team. This is an amazing achievement for this young man to be **recognized** for this National selection to tour overseas to Prague in the near future. We at DPHS are extremely proud of Mr May's selection and we know that he will serve his country with pride and distinction.

Mrs Lydia Bush was complimented last week on her winning of the 100m and 200m sprint races at the KZN Championships, in her age group. Mrs Bush will now travel to Bloemfontein this coming weekend to compete in the SA National Championships, in her category - we do believe that Mrs Bush will excel in her efforts and wish her an abundance of Prep support to carry her through, to hopefully that SA Gold Medal. Go for it Mrs Bush!

Cultural News

The Senior Primary phase were treated to a Jazz Concert presented by some top musicians and teachers of music here in the Maurice Wilkinson Hall today. This is yet again another presentation to show the school's effort to appreciate the interests and talents of all learners, especially in the code of music. It was clearly obvious from the reaction of the audience how this show was so appreciated with our own boys who are currently having instrumental music lessons, also composing a Jazz-loop which will be entered into a National Casio Keyboard Competition. I personally hope that more boys were inspired now to join the music culture in our school, by either learning to play an instrument here or by joining our Choir.

Bravo Prep - Encore!

Extra Murals

I was so impressed with the attendance noted at our mini rugby for Grade 1 and Grade 2 on Saturday morning.

The energy levels expressed amongst all partners of staff, coaches in dads, supporters and especially the boys warmed the heart. It is clearly obvious that the rugby skills provided here on a weekly basis helps to lay down the solid foundation of success and involvement as noted in the years that follow: Thank you Prep for providing our boys with this opportunity to enjoy some rugby fun.

It was then on to Westridge Tennis Club for a new initiative at Prep in the code of tennis where our boys filled the many courts there until midday competing in our Junior and Senior Inter House Competition - over some 100 matches played in the doubles and individual rounds. It was also so encouraging to see so many parents in attendance and our four house colours of Prep splashed across the courts. This gave many more boys the opportunity to participate by representing their House without any clashes with other extra-mural activities, as the rugby fixtures had been played on this past Friday. Long may this initiative continue on the calendar of Prep events going forward. Thank you to Mrs Smith and Mrs Miloszewski for your overall co-ordinating of this event.

The rugby matches played on Friday were of a high Prep standard against Pelham and Port Natal producing an afternoon of a full house of victories for Prep. The team cohesion and structures noted throughout the Prep sides was clearly evident with the rehearsed drills at practices paying dividends. Well done to all the coaches and boys for an afternoon of polished rugby. May

this standard and success continue today in the 20 fixtures for our teams from U9/10/11/13 age groups against four schools namely Clifton, Equisweni, Northlands and Umhlali. Go for it Prep!

Reception Unit News

Well done and thank you to the combined efforts of the Grade R staff and parents who attended the Grade R Activity evening last week. It was so pleasing to note the large number of parents from each class who were present to design and build an item/model for their son to receive as a surprise when he arrived at school the next morning. The excitement and huge smiles on each face were just reward for the parents who were so involved and committed to create these masterpieces.

Well done and thank you.

Congratulations to the Grade R boys, staff and parents for ensuring that the children made the necessary effort to transform themselves into the book characters they had chosen to represent here at school on Monday - a most valuable learning experience!

Appearance

Thank you to the many boys and families who make the constant effort to present themselves neatly for the academic day and then their respective extra-mural activities, by being neatly attired for practices and fixtures. This request of maintaining our levels of excellence must be monitored by all partners, so that we as the Prep Community and the general public continue to respect his standard of appearance by all Prep boys. Please focus on haircuts, no mops of hair on the top of the head, blazer buttons, garters, polished shoes and boots etc. throughout each day and week this term.

A proudly Prep focus!

RECEPTION UNIT NEWS

We started the week off with our own celebration of World Book Day on Monday and it was lovely to be greeted enthusiastically by the boys as they arrived at school dressed as their favourite book characters. The staff also made a great effort and the fun vibe in the school lasted all morning. Thank you for encouraging your boys to participate in this event which celebrated reading and the love of books.

Thanks also for the wonderful support received at our Parents' Activity Evening last Thursday. We hope that you enjoyed yourselves as much as we enjoyed watching you! The buzz in the locker room the following morning was electric and the boys were so impressed with the creations awaiting them. Grateful thanks to the Blue Group parents who generously donated the delicious eats for this event. Your support is very much appreciated.

Mrs Mary Goosen, our Green Group teacher, has taken special leave to attend her daughter's graduation in America. She will be away from school from Wednesday 2nd May till Friday 18th May. Val Cotterell, a former Green Group teacher and long serving member of the DPHS staff, will be teaching the class during this time, with the support of Tayla Deare, our Green Group teacher assistant. We wish Mary Goosen a wonderful trip and know how much she is looking forward to spending this special time with her daughter, Jade.

Please remember that puzzle library starts next Thursday 3rd May. If you would still like your son to join please do so by then.

We hope that you all have a wonderful long weekend

JUNIOR PRIMARY NEWS

The JP boys attended a dog bite prevention education programme on Monday. The boys learnt, through positive messages, physical activity and interactive games, how to read dog body language and how to act safely around dogs. Each class was presented with a certificate of participation and follow up activities.

The U9 Rugby teams are wished well for their mid-week fixtures.

Parents are reminded that there is no sport over this long weekend and we trust that everyone will be able to take the opportunity during this extended break to enjoy some extra family time while celebrating two important days in our country's annual calendar.

OLD BOY DOUBLE INTERNATIONAL HONOURS

Past DPHS teacher and Old Boy, Malcom Phillips'99, who was a regular representative of the SA Underwater Hockey team before relocating to live in Canada two years ago has recently been selected for the Canadian Underwater Hockey team. I stand to be corrected but Malcom is possibly the only DPHS Old Boy to enjoy the honour of representing two countries during his sporting career.

To be selected to play sport for your country requires loads of determination and hard work. To do this twice over in two different countries is a remarkable achievement. A big well done with good wishes from the DPHSA to Malcolm!

DPHS RUGBY TOURS (1ST XV AND ALL U10's) TO TRINITYHOUSE RAND PARK RIDGE

This is a heads up and save the date call from the DPHSA to DPHS Old Boys, DPHSA members, DPHS supporters and rugby enthusiasts who live in Gauteng to make your way to Trinityhouse Randpark Ridge for the DPHS 1st team's visit to Trinityhouse for matches against Fairland (Thursday 3 May @ 18h15), Randhart (Friday 4 May @ 10h40) and Trinityhouse (Saturday 5 May @ 14h05). Our Headmaster, Barry Wilson, Coaches Mike Dick and Mthokozisi Jali, Manager Shaun Carroll, Team Captain Christopher Horak and the Team would welcome your support.

Two weeks later, Thursday 17 May to Saturday 19 May four teams of DPHS U10 Rugby players will visit Trinityhouse Randpark Ridge for a total of three matches against Trinityhouse and schools in the area. This tour is best described as "epic", all the U10 rugby players are included and will be touring overnight, a school first for most of the boys. The DPHSA is immensely proud of the DPHS U10 boys and the tour party. Please do your utmost to support the boys and the tour!

DPHSA CALL TO JOIN

Parents and Old Boy are reminded of the School's ongoing invitation to join the DPHS Association.
